Describe Rotary to Someone Who Hasn't Heard of It

- Fun loving
 - Eradicating polio
 - Change it around: "Have you heard of"... name 2-3 projects. We have fun and friendship. Would you like to join us?
 - Do exercise with members – especially new members
-
- We want you to be involved so we can make a difference
 - Rotary does amazing projects throughout the world
 - Place to show my children how to be examples and make a difference in our communities
 - "Don't ask what your community can do for you but what you can do for your community"
 - Rotary does amazing projects like eradicating polio in nearly every nation throughout the world – don't you want to be part of that?
 - Rotary is a worldwide service organization drawing people from a variety of backgrounds and skills
 - Does community service projects
 - Engages in cooperative cross border solutions to problems in communities and improving sanitation, health and literacy

Slide: Unites Leaders to exchange ideas and take action

Feedback: several comments disagreeing with "unites leaders"; instead "grows leaders" and welcomes all segments of community **especially** young people and **especially** with recent changes to COL.
